

# 2018 Marching Band Information Sheet

## This packet includes...

- 2018 Marching Band Tentative Calendar
- 2018 Marching Band Fee Sheet
- 2018 Summer Marching Band Uniforms
- 2018 Marching Band Student Commitment Sheet

Dear Parents and Students,

During this last month of school, students will begin preparing for our upcoming marching season. We have 6 planned parades and 5 field show performances, as seen on page three of this packet. Each student plays a crucial role in the success of the entire group, so the traditional CMW attendance expectations will apply. Attendance at these events is mandatory, and students will receive grades for all of the listed fall performances, so please mark your calendars accordingly. If any dates or times change, I will notify you ASAP!

It is expected that all students who are available **WILL** attend the three summer parades and BAND CAMP. If there is a conflict please e-mail Ms. Twentey as soon as possible. It is my hope that all students will want to take part in these parades to help support the community and to demonstrate our talent and dedication to music. Our band program receives large donations for marching in these parades, so it is important to have a large group in order to earn those donations and to say "thank you" for the community's continued support of music in our schools. Last year our marching band earned first place at the Kingsville 4<sup>th</sup> of July Parade and the Edgewood Parade and we need everyone to help defend our title for the 2018 marching season.

Five years ago we changed the C. Milton Wright summer uniform, in order to keep our students comfortable and safe in the extremely hot weather. The new uniform will include a light blue t-shirt, black shorts, black long crew socks, and black marching shoes. Students will be responsible for purchasing their own black shorts and socks, t-shirts and marching shoes will be bought from the band program. In this packet of information, you will find an info sheet detailing the criteria for black shorts.

In the fall season, we will be utilizing all parts of the NEW marching uniform. Students will be responsible for purchasing a black pair of gloves, marching shoes, and black socks if they do not already own those items. I will order the shoes and gloves through The Band Shoppe and students can purchase their black socks at any store of their choosing. The uniform pants, jackets, and hats will be provided and cleaned by C. Milton Wright. Students are expected to dress in the full uniform for all fall performances and like concert performances, students will not be permitted to perform if they are not in proper uniform.

I look forward to preparing for this summer's parades and next year's marching season. If you have any questions please feel free to e-mail us at [CMWBPO@gmail.com](mailto:CMWBPO@gmail.com)

Sincerely,

Mary Lynn Twentey

# 2018 Marching Band Student Commitment Sheet

**This sheet must be returned to Ms. Twentey by Friday, June 1, 2018.**

I, \_\_\_\_\_ understand that the fall performance dates that are marked are mandatory. Attendance at these events will determine a portion of each student's grade. Each performance is worth 50-100 points.

Please note our traditional 3 summer performance dates. We are very proud of the large number of students who arrange their summer schedules to support the CMW Marching Band Program. The community is most appreciative of how our musicians share their time and talent. As a thank you for our performances we are awarded three sizable donations.

Signatures indicate that the student and parent/guardian understand the calendar and grade requirements.
