Project #4: Music Video

We Video Instructions

Follow these steps to edit your music video:

1. Go to www.wevideo.com and create an account.
2. Select "create new".
3. Select Timeline Mode.
4. Upload your .mp3 audio from Project #3.
5. Drag it to the audio track on your timeline.
6. Lock the audio track so it can't be moved.
7. Upload your video clips.
8. Drag clips to your timeline.
9. Mute the sound of all of your video clips.
10. Use the slider at the bottom of the preview screen to trim your clip.
11. Use the playhead to split your clip into multiple sections.
12. You can drag multiple video clips to one track or put them on separate tracks.
13. To add graphics and transition effects, select the correct tab.
14. To add subtitles, go to the text tab.
15. When your video is complete, click the "Finish" button. Before you do so, seek approval from Dr. Frisch!!
